

Camper's Name: _____ Camp Attending _____
 Date of Camp _____

Consent for Administering Over the Counter Medicines

In order to continue to provide the best care we can for our campers we are requesting that the parent or guardian of each camper review the list of over the counter medications that we keep in the infirmary. These medications are used when campers have complaints/illnesses for which they have no prescription medications available to them. (Example Headache-we give Tylenol, dosage age appropriate). We request that you check the appropriate box: YES, my child can take this medicine; or NO, my child can NOT take this medicine.

YOUR CONSENT MUST BE OBTAINED BEFORE ANY MEDICATION IS GIVEN TO YOUR CHILD. Please sign your name at bottom of the sheet. **Please bring this form with you to registration.**
