

Inspiration Hills Camp is a classic Christian residential summer camp in Northeast Ohio, less than an hour from Cleveland. Owned and operated by the Northern Ohio District of the Church of the Brethren, Inspiration Hills builds intentional Christian community to foster deeper understanding of Christ and Christian living.

Our camp is situated on 200 acres, encompassing 5 ecosystems with a private pond, three ravines for hiking, and mostly forested land. We are proudly low-tech, the kind of camp where memories are made around the campfire and on the rec field.

Inspiration Hills is currently seeking 3 male counselors for the summer 2023 season.

Counselors:

- live and work with campers 24/7 weekly, from Sunday-Friday
- support campers in their spiritual development as well as leading activities including crafts, nature, and games
- lead nightly cabin devotions related to the day's theme
- assist with planning and implementation of campfire programs
- act as mentors and friends to campers ages 6-15 (must be 23+ to work with Senior High Campers)
- have the opportunity to work during rental camps as support staff
- live their Christian faith every day and are seeking additional opportunities for spiritual growth
- are 18+

You will join a tight-knit community, where counselors and campers build lasting relationships through shared experience. Our camps are run by age group, with a chaplain coming in every week to provide spiritual guidance and a Bible-based curriculum provided to all staff. Learn more and apply here:
